

## **Pine Hills Security**

**Your Community Funded Program that adds to the safety and security of Pine Hills**

Tired of seeing strangers in our neighborhood?

Do you know that the incidence of vandalism is up in our neighborhood?

Have you been frustrated watching cars run our stop signs and travel at unsafe speeds with no regard for our kids, our pets, our runners and our pedestrians?

Do you wonder how safe your home is while you are gone during the day or on vacation?

**Having a neighborhood security program is more important now than it has ever been.** We are seeing more crime and city/county police officers can't be everywhere. This is why our own patrol is necessary.

### **What we are doing:**

We are **patrolled 7 days a week** by City of Atlanta and Dekalb County officers. They patrol Pine Hills streets, including some roads off of North Druid Hills and Lenox Road, with **cars displaying "Pine Hills Security" and/or "Police" signs for over 3 hours every day.** Shift times are mixed so officers are seen at different times, making it difficult for anyone with bad intentions to know when it might be "safe" for them to strike. When we are notified, **security patrol checks security members' homes when they are away.** A **phone number available to Security Members Only** and carried by Security: one number to reach local help

### **Officers are encouraged to:**

Make contact with several neighbors each day

Spend time being visible out of their vehicles in the park or on busy intersections

Stop and warn or ticket drivers speeding or running stop signs

Question and remove suspected vagrants or "salesmen" in the neighborhood

Check on homes when paid members are out of town which gives security members peace of mind

### **We are always looking for ways to improve our program:**

Criminals must be aware that we are a patrolled neighborhood. When more neighbors join we can afford:

**Increase hours** of security patrol

"Pine Hills Security"/"Neighborhood Watch" **Entrance signs**

"Pine Hills Security" **Yard signs**

**We want it known that we are aware of what is going on and make it wise for criminals to leave us alone.**
